Delay in Finalizing Physician-Administered Drug Claims

DXC Technology/Nevada Medicaid discovered an issue with delay in processing adjustments for Nevada Medicaid Physician-Administered Drug (NVPAD) claims and resolved the issue on 10/2/18. DXC is now working on releasing the currently pended NVPAD adjustments that were processed from 7/2/18 through 10/1/18. The processing of these claims is estimated to be finalized with October and November remittance advices.
